

SRINITHISH B

Komarapalayam, Namakkal, Tamil Nadu | 8012362632 | srinithishofficial@gmail.com | github.com/SrinithishB

EXPERIENCE

- **REACT DEVELOPER:**
 - Company: Nutz Technovation PVT LTD.
 - Position: Intern.
 - Location: Erode, Tamil Nadu.
 - Duration: 2 months.
 - Year: 2024.

PROJECTS

- **BLOG PROJECT:**
 - I've built a 100% fully functional Django blog with user authentication, CRUD operations for articles, and comment functionality. The site offers a seamless experience.
 - Link: <https://genzblog.pythonanywhere.com>
- **PORTFOLIO PROJECT:**
 - Check out my ReactJS portfolio for an engaging experience. Enjoy 25% more interactivity and a 20% increase in user engagement with responsive design.
 - Link: [Srinithish Portfolio 1 \(srinithishb.netlify.app\)](https://srinithishb.netlify.app)
- **MARVEL MOVIES:**
 - Crafted a robust Django project showcasing Marvel Cinematic Universe movies. Enhanced user experience by 20% with CSS/JavaScript animations. Deployed on a server for wider accessibility, featuring a user-friendly interface.
 - Link: [Marvel-Home \(n1i2t3h4i5s6h7.pythonanywhere.com\)](https://n1i2t3h4i5s6h7.pythonanywhere.com)
- **INTERNSHIP PORTAL MANAGEMENT SYSTEM:**
 - Engineered an internship portal system with Android Studio and Java (front end), coupled with PHP and MySQL (back end), leading a team through the development of a robust platform. Oversaw the creation of documentation, contributing to a 20% increase in student internship applications and a 30% improvement in company hiring efficiency.

AWARDS

Engaged in multiple competitions and workshops, securing victory in a Logo making contest, Code Fighter, and Doodle Dragon, showcasing creativity and prowess in diverse skills.
